2023 MODERNIZATION OF CROSS BORDER TRADE

Hosted by:
Reliance Partners and the Laredo Motor Carriers Association.

Date: Wednesday June 14

Time: 6-9pm CST

Venue: Tree House Chicago – 149 W.
Kinzie, Chicago, IL 60654

Kenneth Smith Ramos, Former Chief Negotiator of USMCA: Nearshoring is the hottest topic in North American trade. Kenneth personally negotiated USMCA. He will be offering his expert advice on nearshoring, USMCA, and the US China Trade War.

Raul Saucedo, CEO, SB Group: Raul is owner of one of the largest Mexican 3pls in the world in SB Group. SB has their own FTZs, IMMEX license, and distribution network in Mexico. Raul will be speaking on how to end US port congestion by starting/expanding your logistics footprint in Mexico.

Mark Vickers, EVP and Head of International Logistics, Reliance Partners: Implement a World Class Cross Border & Mexico Risk Management Strategy. Mark will discuss the evolution of Mexico Cargo Insurance, best in class cross border risk management, and how motor carriers should properly be using Mexican drivers to move US freight.

Jerry Maldonado, President, Laredo Motor Carriers Association & Director of Laredo & Mexico Operations for Warren Transport: How freight brokers and shippers can properly vet and select cross border trucking partners.
